

THURSDAY NIGHT GOLF LEAGUE PLAY - BOUNDARY REFERENCE CARD (FRONT 9)

- For rule clarification during your round, contact either: Delmar Campbell @ 330.502.5048 or Shawn Sauerwein @ 330.831.5839
- Time limit to look for lost ball: 3 minutes
- Lost ball in any bunkers/fescue: Take 2 club lengths, no closer to the hole (one stroke penalty).
- Out of bounds ball (line of flight): Take 2 clubs lengths back from where ball crossed out of bounds marker, no closer to hole and drop (one stroke penalty).
- All bunkers: Remain lift, clean and place (if you choose) without penalty.
- Drop method: Drop ball from knees. When ball hits ground and comes to rest, it must stay (e.g., play it as it lies, no fluffing the ball after drop).
- Jungle rules: When in effect, this is the only time you are able to fluff/place ball for drops.

HOLE #	BOUNDARY	LEAGUE RULE - OUT OF BOUNDS DESCRIPTION
1	Water (right)	If ball goes into water (one stroke penalty), follow the line of the flight of the ball back 2 club lengths where it last crossed land and drop.
	Driving range (left)	If ball goes over the mounds (left) and rests on the flat part of the range (e.g., off the mound/slope), it's out of bounds (one stroke penalty). Take two (2) club lengths back up the mound on the flight of the ball and drop.
	Road/Route 14 (behind green)	If ball goes on/past road, it's out of bounds (one stroke penalty). Take two (2) club lengths back from road at an angle no closer to the hole and drop.
2	Road/Homestead Drive (left)	If ball on/past road, it's out of bounds (one stroke penalty). Take two (2) club lengths back in grass on flight of ball and drop.
	Water (right)	If ball goes into water (one stroke penalty), take two (2) club lengths back on flight of ball (no closer to hole) and drop or advance to the drop zone.
3	Residential property (behind green)	If ball goes into residential yard, it's out of bounds (one stroke penalty). Take two (2) club lengths back from yard (no closer to hole) and drop.
	Residential properties (left)	If ball goes into residential yard, it's out of bounds (one stroke penalty). Take two (2) club lengths back on line of flight where the ball crosses the out of bounds marker.
	Fescue (left) or water (right)	If ball is lost in fescue or water (one stroke penalty), take two (2) club lengths on line of flight of ball, no closer to hole and drop.
4	Road/Route 14 (behind green)	If ball goes on/past road, it's out of bounds (one stroke penalty). Take two (2) club lengths back from road at an angle no closer to the hole and drop.
	Drive attempts (left, across the creek)	Tee ball attempts to cross the creek must land <u>in play</u> across the creek in order to drop on other side of creek if hit out of bounds (one stroke penalty). If ball is hit into the creek, it's out of bounds (one stroke penalty) and you must drop 2 club lengths on the flight of ball where it crossed ground in play. Example: if you hit the ball straight up the creek – you must follow the ball flight all the way back to where it crossed fair ground (most likely by the white tees).
	Water (right)	If ball goes into water (one stroke penalty), follow the line of the flight of the ball back 2 club lengths from where it last crossed land and drop.
5	Residential properties (left, right, back of green)	If ball goes into residential areas (up the left/right side or around the back of green), it's out of bounds (one stroke penalty). Take two (2) club lengths on flight of ball, no closer to hole and drop.
	Residential properties (left, right)	If ball goes out of left or right, it's out of bounds (one stroke penalty). Take two (2) club lengths back on line of flight where it last crossed the out of bounds marker, no closer to hole and drop.
6	Tee ball into woods (left)	If tee ball goes left into woods and can be located, it may be played. There is about 20 yards of woods not designated as out of bounds by course markers. There is a white marker that starts the out of bounds in left woods. If unplayable from that spot, you must head to drop zone.
	Tee ball into woods (straight, right side of fairway)	If tee ball goes straight into woods that line right side of fairway, it's out of bounds (one stroke penalty). Take two (2) club lengths on flight of ball and drop or head to drop zone.
	2 nd + shot into woods (left/right/back)	If ball goes into woods and marked out of bounds (one stroke penalty), take two (2) club lengths on flight of ball, no closer to hole and drop.
7	Wetlands (tee ball, left)	If ball goes into wetlands (all the way to houses), it's out of bounds (one stroke penalty). Head to drop zone.
	Woods/junk (tee ball, right)	If ball goes into woods/junk (right), it's out of bounds (one stroke penalty). Take two (2) club lengths on flight of ball where it crossed the out of bounds marker and drop or head to designated drop zone.
	Residential properties (left)	If ball goes into residential properties, take 2 club lengths back on flight of ball where it crossed the out of bounds marker or head to designated drop zone.
8	Woods/weeds (left, right, behind green)	If ball goes into woods or weeds, take 2 club lengths back on flight of ball where it crossed the out of bounds marker or re-tee ball.
9	Tee ball into water	If tee ball goes directly into water and doesn't cross land (one stroke penalty), head to the drop zone. New drop zone: is located in the far right corner of the fairway, drop in the rough. This drop zone is on the opposite side of the fairway compared to last year's location. If tee ball crosses land and then goes into water (one stroke penalty), you can take two (2) clubs lengths back drop on the ball flight from where it crossed the water, no closer to the hole and drop.
	Residential properties (left, right)	If ball goes into residential areas, it's out of bounds (one stroke penalty). Take two (2) club lengths back on flight of ball where it crossed the out of bounds marker and drop or head to drop zone.
